# PAINT BRUSH

# Superintendent's Message

Dear Class of '57:

During the past twelve years you have been filling your palette and blocking in the picture of your lives. My sincere congratulations, for you have done a fine job, as is evidenced in this, your Annual. You are now ready to start the real painting of your life picture. Remember that the pastels and quiet tones lend depth and interest, while the more garish hues add brilliance and beauty. My wish for each of you is that you may blend your colors well, make your outlines distinct and true, and thus give the world some truly great masterpieces in the painting of your life canvases.

Sincerely,

J. C. Quigg

TO THE STUDENTS OF
GREYBULL HIGH SCHOOL

We have come to the end of our school days in Greybull High School. Graduation is a time of rejoicing and yet a time of sadness. It brings happiness because of the many things we have accomplished, and sorrow because we are leaving our friends and schoolmates. It is our hope that in days to come you may find some measure of joy and gladness in turning through these pages and recalling your student days. If you recall only a small portion of the joy we have had in giving it to you, we feel that our task will not have been in vain.
